Dear Mr. Baker:

Re: Qualified Suppliers List of Distributors (QSLD), Qualified Testing Suppliers List (QTSL), Requalification, FSC 5961 and 5962, CAGE: 3WQE6, VQ(VQC-16-030543), CN: 051398

This Center has received your documentation to re-qualify in the Qualified Suppliers List of Distributors (QSLD) and Qualified Testing Suppliers List (QTSL) programs. Based on our review, your facility, cage code 3WQE6, at 27142 Burbank, Foothill Ranch, CA is considered a qualified distributor eligible to supply FSC 5961 and 5962 product, military and commercial grade, as dictated under the Criteria and Provisions documents for the QSLD and QTSL programs. All devices are to be controlled and managed from your Foothill Ranch, CA location. No other locations for your company are qualified under this program.

This qualification is valid for three years from the date of this letter and can only be terminated by written notification from this Center. For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the programs. At the end of the three year period, your company must resubmit an application to remain in the program.

The acceptance of your company into this program does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements. If you have any questions please call Mr. Puhalsky at 614-692-2458.

Sincerely,

for ALAN J. WILL
